December 13, 2007

Sir:

On June 18, 2007, the undersigned submitted a Request for a Complete Office Action requesting that the Examiner consider all the claims submitted with the original application, including the Preliminary Amendment, submitted concurrently with the application on April 4, 2005. The Request is in the record on Private PAIR.

On August 24, 2007, the undersigned's secretary, Donna Heise, contacted the Examiner regarding the same and was informed by the Examiner that since he had not received the Request for Complete Office Action of June 18, 2007, he could not act on the Request until he officially received the Request.

Today is five months from the Examiner's Restriction Requirement and no further communications have been received from the U.S. PTO.

Therefore, It is again requested that the Examiner provide an Office Action on the merits on pending claims 1-29 as submitted in the Preliminary Amendment filed on the same day as the original application (April 4, 2005). The Examiner should note that the Preliminary Amendment also appears in the PRIVATE PAIR database.

The Examiner only considered claims 1-10. However, claims 11-29 were added in the Preliminary Amendment. It is respectfully requested that the Examiner also consider claims 11-29 and issue a new Office Action resetting the time period.

Please charge any shortage in fees due in connection with the filing of this paper, including extension of time fees, to Deposit Account No. 01-2135 (1382.44662X00) and please credit any excess fees to such Deposit Account.

Respectfully submitted,
